Relative to the payment of Capital Share, we would like to request all our paying member consumer owners (MCOs) to submit their tax identification numbers (TIN) to our tellers upon payment of their capital share as a requirement of the Bureau of Internal Revenue.

Those who already paid their capital share are also advised to submit their tax identification number (TIN) to our Consumer Welfare Office located at South Drive, Baguio City.

For more information, you may reach us thru our 24/7 Facebook messenger or hotline numbers.

For everyone's guidance.
