Email: info@beneco.com.ph

We wish to warn the public that we received reports that there are individuals going house-to-house claiming to be employees of BENEKO and collecting payments of power bills and share capital.

Please be advised that BENEKO did not authorize any employee or personnel to do house-to-house collection of power bills and capital share. Should you encounter such illegal activity, kindly contact us immediately thru our hotline numbers or Facebook messenger. We also encourage you to take pictures of the individuals doing such illegal acts.

We also wish to solicit everyone's active participation to protect the interest of our electric cooperative.

MELCHOR S. LICOBEN
General Manager
